Self Directed Support

We are excited by the demand and growth of Purchased Services and Self Directed Support (SDS). As a respected and recognised provider of consistent, high quality services, we deliver over **200 hours** of support per week, enabling people to achieve their goals. If you are interested in Crossroads delivering your SDS, purchasing additional support or wish to discuss the scope of our services, please call **01592 610540**.

Dear Service Users

Please call the office 01592 610540 (not your support worker) to tell us about any changes in your circumstances or if you need to cancel services due to hospital, respite or holidays. This includes any requests to adjust your service times.

Befriending

We'd love to hear from you if you can spare a couple of hours a week to help someone who feels socially isolated and lonely?
